PETITION TO ACCORD APPLICATION FILING DATE

January 22, 2001

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Attention: Office of Petitions

Reference is made to the Notice of Incomplete Non-Provisional Application
dated November 11, 2000, a copy of which is attached hereto.

The communication refuses to accord a filing date to the subject application.

The communication indicates that the specification is missing and that the
statutory basic filing fee is missing.

I hereby certify that this correspondence is being
deposited with the United States Postal Service
as first class mail in an envelope addressed to:
Assistant Commissioner for Patents,
Washington, D.C. 20231.

On 1/22/01

The communication further indicates that the non-provisional application was
filed under 37 CFR 1.53(b).

OFFICE OF PETITIONS

The subject application is a continuation application which was filed on
November 3, 1997 under old rule 62.

Applicant previously filed a petition to accord the subject application with a
filing date of October 31, 1997, and on June 8, 2000, that Petition was granted.

A copy of the decision granting the petition is attached hereto.

The undersigned contacted the Initial Patent Examination Division by phone
and was advised that confusion has arisen because the according of filing dates has been
contracted out and as a result, errors such as this have taken place.

The Notice of Incomplete Non-Provisional Application further indicates that
the statutory basic filing fee was missing. This is also incorrect and attached is a copy of
the canceled check for the filing of the subject application.

This application was originally filed as a continuation application more than
three years ago. Accordingly, expedited prosecution of this petition is respectfully
requested.

It is believed that the Petition fee should be waived. However, if a petition fee is required, authorization is given to debit the account of the undersigned #19-4675.

Respectfully submitted,
